To Whom It May Concern:

I am attaching copies of two documents of previous correspondence on my problem. To date they have not been totally resolved and I still do not have a password for electronic filing and I am not receiving all notifications of required filings nor the paperwork to submit same. I do receive some documentation but not all. Most recently I did not receive forms or notification of pre and post filing requirements for the primary elections recently conducted in Alabama. I just happened to notice something in a periodical and scrambled to get them in.

Again, please help me or tell me whom to contact. I want to insure that I am notified and comply with all required filings and that I do so on a timely basis. We are a very small PAC with limited resources so please tell me how I can get an electronic filing password and electronic notification of filing requirements by being placed on the FEC E-mail listing. Please verify that you have our PAC listed with the above address to my attention so that I can receive my forms and advise who I can contact to give me the assistance I need to file electronically.

Thank you in advance for your attention and assistance in these matters.

Sincerely,

To Whom It May Concern:

Please help me or tell me who to contact. For some reason I am no longer receiving the FEC Disclosure Form 3X for my quarterly filings and I am having to dig up old forms and making copies to comply with filing requirements. I have also applied for a password and instructions for electronic filing a long time ago and am still not able to do electronic filing. Please verify that you have our PAC listed with the above address to my attention so that I can receive my forms and advise who I can contact to give me the assistance I need to file electronically.

Thank you in advance for your attention and assistance in these matters.
